

## Node Application Process

### **Informal Enquiry**

An enquiry can be made via a phone call, drop in session, email to Histo inbox or meeting with the lab manager.

### **Formal Application**

A formal application is made via the Node application form.

### **Application assessed by weekly Operational Group**

The Node application is assessed for strategic fit, resource in lab, pricing and classification of funding.

### **Estimate sent to applicant**

The applicant is advised of the outcome of their application and an estimate is prepared and sent.

### **Project Begins**
